Greetings,

As the Director of Baton Rouge Cheer Stars, I want to welcome you to an Award-Winning, National Champion All-Star Cheerleading Program. I want to tell you how much fun your child will experience during the upcoming season.

The coaches and I are excited about your child's success in making one of the BRCS teams. We are not your everyday, fly-by-night, all-star cheerleading program. We are one of the most authentic cheer programs in the state of Louisiana.

It is our mission to ensure that your child is receiving quality cheerleading and tumbling instruction, as well as, instilling in our youth that teamwork and dedication is what drives us and gives you a better cheer experience.

The girls and boys will work hard to make their cheer experience a great one. We want to instill in all of our cheerleaders that they can achieve whatever they want, as long as they work hard, work well, and work together!

If you have any questions, comments, or concerns please feel free to contact me. As always, I look forward to a great season and to working with you and your child.

Cheerfully yours,

Shawn Lagarde, Executive Director BRCS
